I. **Description:** Students will be involved in a comprehensive study of web publishing strategies, computer ethics, communication, and information acquisition. Students will be expected to synthesize and publish information in a number of ways such as printed copy, monitor display, Internet documents and video (hypermedia).
Students will be required to produce a commercial website.

II. **Pre-requisites, co-requisites and other requirements:** Web Design

III. **Text:** None

Software: Adobe Creative Suite 2

IV. **Instruction will consist of:** a variety of techniques, including lecture, video presentations, Power Point presentations, Web sites, readings, enrichment assignments and group activities. Much of the learning in this course depends on reading and understanding course materials. We will survey the course information through class discussions.

V. **Course Content:** This course is an intermediate course that teaches Dreamweaver along with other applications and computer concepts.

Topics:

- CSS
- Dreamweaver
- Javascript
- Flash
- Navigation
- Management

VI. **Learning Outcomes and Performance Objectives:**

- Creativity and Innovation
- Communication and Collaboration
- Research and information Fluency
- Critical Thinking, Problem Solving and Decision Making
- Digital Citizenship
- Technology Operations and Concepts

VII. Course requirements and grade computation.

Upon completion of the course, the student will be able to:

- A. Create a multi-paged Website
- B. Add Web pages, links, and images
- C. Tables and Page Layout
- D. Publish website

Grading:

90 or higher	=	A
80 - 89	=	B
70 - 79	=	C
60 - 69	=	D
59 and below	=	F (I don't expect anyone to go here!)

Coursework:

Projects	=	35%
Portfolio	=	40%
Participation	=	25%

A daily participation grade will be given to all students.

Class policy: If anything used in the computer lab is not placed in its proper place (this includes trash) the entire class will get a 70% for the day.

VIII. School Policies:

- A. **Philosophy:** Our unique blend of freedom and discipline creates an atmosphere conducive to learning and to the development of critical thinking skills. We promote the joy of learning by challenging students to do their individual best and by providing them with the support and resources to guide and encourage their discovery. St. Luke's Episcopal School maintains a balance between effort and achievement, the acquisition of knowledge and academic grades, and the exercise of mental and physical faculties with the aim of producing responsible citizens who are conscious of their role in God's world.
- B. **Mission Statement:** St. Luke's Episcopal School is a Christian community dedicated to academic and personal excellence, lifelong learning, and service to others.
- C. **The Saint Luke's Way:** As members of a Christian community, our conduct is guided by love and respect for God, our school, our neighbors and ourselves. We demonstrate the St. Luke's Way through behavior that is courteous and cooperative.
- D. **Honor Code:** As members of the St. Luke's Episcopal School community, I will be trustworthy, respectful, and honest. I will not lie, cheat, or steal, nor will I tolerate those who do.
